Dear Valued Business or Individual:

Cougar Ridge Elementary PTSA will hold its bi-annual fundraising auction at The Hyatt Regency Lake Washington on Friday, April 20, 2018. Cougar Ridge is Located on the Bellevue/Issaquah border off Lakemont Boulevard, and is part of the Issaquah School District. Nearly 500 of our diverse family and community members participate in this event, which includes online, silent and live auctions. Proceeds from the auction make a significant difference to the education of our children by filling district and state funding shortfalls.

We invite you to ensure the event's success by becoming a Corporate Sponsor. Sponsorship underwrites the costs associated with the auction with 100% of proceeds going towards improving the education of our students.
