Cougar Ridge PTSA

Cougar Ridge PTSA is a nonprofit, tax-exempt 501(c)(3) organization. Donations are fully tax deductible. Every penny of your contribution directly supports our PTSA, benefiting only Cougar Ridge.

Frequently Asked Questions

What does the PTSA fund?

Over 60% of the PTSA budget goes **directly to teachers and admins** to improve your child's classroom and school

Why does the PTSA fundraise?

Only a small portion of the PTSA's income comes from membership dues, which are mainly used for administrative expenses. Donations from families enable all other enrichment programs.

How much does the PTSA need?

The PTSA funds programs for all students at Cougar Ridge that the school cannot cover because of district and state budget shortfalls. **The annual cost to implement these programs is approximately \$150,000.**

We can't do this without you!

Am I required to donate?

When financial support decreases, so does the level of enrichment. This means that sometimes kids miss out on fun opportunities unique to their grade level. Give a little, get a lot! That's why achieving 100% family participation, at any contribution level, during our fundraiser is essential.

Cougar Ridge PTSA

Did you know Issaquah School District does not fund the in-classroom art program at Cougar Ridge?

The Cougar Ridge Art Docent program is **100% volunteer-led and funded completely by the PTSA**. This program fills the gap between district funding and the state art requirement for elementary students.

Designed through a partnership between the school district and the PTSA, this program allows your child the opportunity to explore their artistic talents and introduces educational art lessons, covering techniques, history, art vocabulary, and a variety of mediums, inspirations and cultures.

Our PTSA is proud to offer all of the below programs, enrichment, events, clubs and FUN to your child, your family, and our greater Cougar Ridge community!
