Volunteer Opportunities

Room Parent Volunteers: Looking for a way to get more involved with your child's class? Room parents help your teacher plan classroom parties and act as a liaison between the PTSA and your class. Please talk directly to your teacher if you are interested in filling this role for your child's class. Feel free reach out to [Jana Horton](#) with any questions.

Volunteer Application Process – All volunteers in Issaquah Schools are required to complete the annual Volunteer Application for 2021-22 school year. This year we will be phasing in our volunteers by starting with those that support academic and social emotional programming first. Click [here](#) to complete a new application or complete an existing application if you have volunteered in ISD before. You must show proof of COVID Vaccination to submit your application.
