

# Caring Through Sharing 2021

Join a Cougar Ridge tradition of philanthropy. Every year our students collect donations for the Issaquah Food Bank's Holiday Gift Barn. Last year over 1,800 children in our local community received gifts from the Holiday Gift Barn thanks to donations. Cougar Ridge families were able to give over \$3000 dollars in cash and gift cards.

This year our school wide goal is \$4500. Join the PTSA in caring for our community this year through sharing.

First, take this gingerbread home to an adult in your family. Ask that adult if they can help you purchase one or more \$25 gift cards to stores like Target, Fred Meyer, Walmart or Amazon or send a cash Venmo donation to @Dara-Schaffer, QR below for donation.

Next, we encourage you to decorate your gingerbread person, cut it out of this page, and bring it back to school by 11/22/21 with your gift card or online donation ticket so your gingerbread person can be added to our village.

Last, enjoy the sharing feeling! Thank you for working with your adults to show some caring through sharing in our community!!!

## DONATIONS DUE ON NOVEMBER 22
