Thank you!

Thank you for considering donating to our upcoming fundraiser!

Cougar Ridge PTSA has a long-standing record of providing amazing support for students, parents, teachers, and our local community. This event will encourage community engagement - and local businesses are an important part of our community.

What is PTSA?

The Parent Teacher Student Association, or PTSA, is a 501c3 nonprofit organization. Our mission is to help make every Cougar Ridge student's potential become reality through opportunities that support and enrich our children, school, and community. We provide funding for classrooms, extracurricular programming, STEM/Art curriculum, school grants, and scholarships for those at need in the community. Our students are encouraged to engage in philanthropy as well, and our families have donated to food banks, shelters, and toy drives.

The Event

Our community event is at Top Golf, Renton to raise money so we can continue to support our school community and those at need. This parents-only event will give parents a chance to connect and meet as they enjoy dinner and fun! We are expecting at least 100 guests to dine and donate.

The Big Ask

Our guests will be enjoying a lovely afternoon of golf and fajitas, but we would like to provide even more! The better experience we offer, the more donations we are likely to get. We want to make this afternoon extra special with the help of amazing small businesses like yours! We are asking for sponsorships of specific items so that you can choose the right fit. We will thank our sponsors with: a physical "thank you" display attached to the item you choose, plus recognition in our weekly newsletter, as well as "thank you" posts on our website and social media.
